

Dear Parents,

You and your child are invited to attend our Ebenezer Middle School 6th Grade Summer Camp on August 6th, 2019, from 9:00 a.m. to 12:00 p.m.

We believe that our relaxed 6th Grade Summer Camp will help your child become familiar with the Middle School setting and feel more comfortable and less stressed about their new school after spending a day with their peers and many of the EMS teachers, administrators, and staff. Students will have the opportunity to participate in activities such as locker relays, get to know you activities, and a scavenger hunt. Snacks will be provided.

Parents, that wish to stay, will get a chance to meet and chat with the principal, tour the school, and attend sessions on the “transition” to Middle School. We will provide parent packets with transition tips and information on the developmental, social, physical, and emotional changes that occur during early adolescence.

Sincerely,

Marlene De Wit
Principal
